

Derek Hendrikz Consulting Presents:

Service Excellence through Batho Pele

Duration:	2-days
Max. Participants:	20
Facilitators:	1
NQF Level:	3
Credits:	4
SETQAA Accreditation:	Services SETA: Decision number 2072

About the programme:

The Batho Pele Programme is based on the eight principles as set out in the White Paper on Transforming Public Service Delivery. It is designed to give participants the necessary knowledge and skills in order to support a culture of service excellence within his/her organisation. Some of the dimensions covered in this programme are:

- Defining service excellence within your organisation.
- Turning service delivery into service excellence.
- Transforming Service Delivery in the Public Service.
- Implementing and integrating the eight 'Batho Pele' Principles within your organisation.
- Internalising the Batho Pele Principles as a corporate value system.
- Designing of a service excellence implementation plan.

The workshop outcome:

On completion of the workshop the participant will have a mind-set of service excellence and be able to implement the eight 'Batho Pele' Principles at his / her workplace.

SETQAA Accreditation:

For accreditation purposes the learner will have to prove competence in the following unit standard:

Unit Standards:	Unit Standard Number:	Credits:
Apply the Batho Pele principles to own work role and context.	242860	4

Participants will be assessed on the following specific outcomes:

1. Explain how the Batho Pele principles apply to their own work roles.
2. Explain how the application of Batho Pele principles determines the way in which work is done in the public sector.
3. Identify and describe successful examples of application of Batho Pele principles in public sector contexts.
4. Explain why the Batho Pele principles are so important to government and effective service delivery in South Africa and own organisation.

Included:

-  All programme materials and handouts.
-  Issuing of certificate on completion of programme.
-  Permanent record keeping of all results and assessments.

Training methodology:

The methodology is based on interactive learning, i.e. learners will learn by doing. Furthermore learners will use examples from their own organisations, thus ensuring that the learning is anchored at their workplace. As with all DHC training programmes, we strive to effect actual change back at the workplace through effective and practical outcomes based training.
